

65
FIAF
CONGRESS
2009 BUENOS AIRES

Buenos Aires, February 2009

Dear Colleagues and Friends,

In less than three months we shall be holding the 65th FIAF Congress, the first to take place in Argentina, where we look forward to sharing with you the celebration of the Centenary of Argentine Cinema – on May 24th – and the 60th Anniversary of the Cinemateca Argentina.

In this second newsletter, you will find the Programme of Events, as well as information about a choice of hotels near the Buenos Aires Theatrical Complex (CTBA), which is centrally located (only a few meters from the emblematic Obelisk), and where most of the meetings will take place.

Please find enclosed Registration and Hotel Reservation forms and useful information for planning your trip. Special accommodation rates have been negotiated with the hotels.

The Congress activities will take place at the Film Theatre “Leopoldo Lugones”, on the 10th Floor of the Buenos Aires Theatrical Complex. This will also be the venue for our cinema screenings, which we hope that movie-lovers from Buenos Aires will attend and enjoy as much as festival guests.

On May 25th – National Day – we have organized a special holiday evening, when we will have a special celebration for our Congress at the very porteño [i.e., from Buenos Aires] Maipo Theatre. The Maipo, a variety theatre which recently celebrated its centenary, has been linked from its beginnings with the Argentine cinema world.

Please don't hesitate to contact us for further information if you have any doubts or questions.

It is the wish of the Cinemateca Argentina and the Museo del Cine, the organizers of the Congress, that your stay in our home city will be an unforgettable experience.

Please accept our warmest regards from Buenos Aires, which grows closer every day.

Paula Cassinelli

Marcela Cassinelli
Vice-Presidente
Fundación Cinemateca Argentina
